What you feed your dog is vital, but it isn't always easy to navigate the pet food world. What's in the brittle little balls that come in those big bags, anyway?

What are dogs supposed to eat? What shouldn't they eat? In this quiz, test your knowledge and learn some basics as we serve up some serious, and maybe surprising, pet-food facts.

Question 1 of 6 ✔ 0 Right ✘ 0 Wrong

Which of the following should dogs NEVER consume?

- Chocolate
- Grapes
- Pot
- All
