**What is Short-Term Care insurance?**

Short-term care insurance helps cover the cost of different types of care received outside of a hospital or doctor's office lasting for up to 360 days, individuals who qualify to receive benefits can use this insurance to help them recover from an illness or injury or to transition from being independently to receiving medical care at home or in a facility.

Check out these examples of how you or a loved one could benefit from Short-Term Care insurance coverage.

**Scenario 1:** Louise broke her hip during a fall. After the surgery, she experienced difficulty dressing and bathing on her own. Her daughter was able to visit for a week to help, but it was clear Louise would need continuing care. In this situation, having Short-Term Care insurance could benefit Louise by helping to cover the cost of having home healthcare services to assist her with dressing and getting dressed and the repairs to her fall mobility.

**Scenario 2:** Walt was diagnosed with dementia four years ago, and his condition has progressed this past year. He wife Mary can no longer help him with daily activities like dressing, bathing, and getting in and out of bed. Walt needs specialized care. Mary is concerned that the cost of this care could affect their savings. Because of his Short-Term Care insurance options available, Susan was able to customize a plan that gives her the best coverage options available.

**Scenario 3:** Susan is soon to be retired. She's excited about protecting her savings as a priority. When she learned that Short-Term Care insurance covers expenses that may not be covered by Medicare or other insurance, she knew it could help safeguard her finances. Over the past year, both of her parents have needed help at home, so she's aware of how these costs can impact a monthly budget. Because of her Short-Term Care insurance options available, Susan was able to customize a plan that gives her the best coverage options available.

You may not know what kind of care you'll need in the future, but when you have AARP Short-Term Care Insurance from Medico, you'll be able to choose the type of care you need, when you need it. Seize today and be confident in knowing you have a plan to help cover the cost of care you may need one.
